

What's happening?

Please note and put aside the following dates:-

30th May—ICAS Science exam

31st May—Pita Pit Lunches

5th June—Queens Birthday weekend

13th June- Pie Orders in.

BOT Decisions – At their meeting on Monday the Board have agreed to start a reception class for new entrants to the school starting at the beginning of Term 3. This is in order to cater for the numbers of enrolments indicated from now until the end of the year. We will be able to cater for more children this way so are still keen to receive enrolments.

School Roll – I am delighted to receive many positive comments from parents about the learning being experienced by their children. It would be great if you could spread the word about this great learning and the many wonderful opportunities and experiences the children here get because we are interested in gaining more students in order to maintain our small class sizes. If there are people who you think might be interested in joining our wonderful learning environment particularly at years 3 to 6, tell them to get in touch and come and have a look.

Learning Support help –

Many children are receiving help from Rebekah Morton and Debbie Cambridge with support for their learning because they are experiencing difficulties or need to be extended. For this support to be effective it is most important that the follow up work set for home is carried out and supported by the parents. Please make sure this is the case.

Absences – A reminder that these can be notified to the office via email by using the link on the school website or via the Findus link. You can save either of these to your phone or other device for quick access.

Winter 7's –

This event will take place at Ngahinapouri on Wednesday 21st July, week 8 of this term.

If you are able to help with coaching a team we will be starting practice sessions soon so please let us know.
