Learning Journals -

With only three weeks of the term to go we are beginning preparing our learning journal reports for the children but are finding that some have not been returned from last term as yet. Could you get those back to class teachers as soon as possible so you can receive this record of your child's current learning and progress. Could you also make comment with regard to your child's journal work in the section set out for this. I encourage you to discuss the journal and its contents with your child and comment accordingly to encourage their continued progress.

Change of Contact –

We have had a few problems in reaching some parents/caregivers due to changes of address and or phone numbers. It is most important that changes are communicated to the office so that our records can be up to date. Please phone 078715203 and leave a message or email principal@paterangi.school.nz

Lower Waipa Sports –

Training sessions are continuing weather permitting. Children will need to have the appropriate clothing to wear. The competition is **this Wednesday July 21st at Ngahinapouri**, if you are able to assist with supervision on the day that would be greatly appreciated, and I am sure our children will acquit themselves well as usual.

There is a postponement date, if needed, of Friday 23rd June. This information will be posted on the Ngahinapouri School facebook page www.facebook.com/Ngahinapouri and also on our school facebook page.

BOT meeting –

The next BOT meeting for this term will be held on Monday 19 June from 7:00pm

Gumboot Day-

The gumboot day held on Wednesday raised \$72 to go towards funds being raised by a group of our senior students to establish a school orchard.

Lost Property –

A large amount of lost property has accumulated. This can be viewed and collected from the containers outside Room 3. As usual that not claimed by the end of the term will be taken to the Cancer Society recycling bin.

Today Keegan, Riley (Room 1) and Olivia (Room 2) have joined us. Welcome to Paterangi School.

PTA –

Help is needed to organise pie orders when they arrive at school next Friday, 23rd June. This should only take about an hour. If you can lend a hand please contact the office

Congratulations -

Homework –

All children have homework Monday night to Thursday night. Homework is an important component of your child's learning at school to help establish a habit which will be necessary at secondary school and beyond and to reinforce learning that has happened during the day or in some cases to prepare for learning that is going to take place in the class during the next couple of days. Each teacher has sent out a notice about what homework you can expect for the children of their class. An important part of our homework regime is the nightly reading logs and Mathematics, either maths buddy or workbook.

Basketball -

No games this week.

Happiness

Happiness looks like birds cheeping in the morning sunlight, a very excited person eating an ice cream.
Happiness sounds like a kitten purring and scrambling around your legs.
Happiness feels like love spreading around the whole world.
Happiness tastes like an ice cream cone getting eaten.
