Lower Waipa Sports -

A great day where all our teams performed with credit. Our children as usual gave it everything and achieved some very satisfying results. Many thanks to all those parents who came along and supported.

Learning Journal Reminder -

With only 2 weeks of the term to go we are preparing our learning journal reports for the children but still find that some have not been returned from last term as yet. Could you get those back to class teachers on Monday so you can receive this record of your child's current learning and progress. Could you also make comment with regard to your child's journal work in the section set out for this. I encourage you to discuss the journal and its contents with your child and comment accordingly to encourage their continued progress.

Lost Property -

There is a large amount of unclaimed lost property in the bins beside Room 3 and we would love for it to be all claimed by the end of the term so please make the time to have a look or get your child to retrieve the items you know have not come home.

Change of Contact Details -

Have you changed your address or phone number recently?
We have had a few problems in reaching some parents/caregivers due to changes of address and or phone numbers. It is most important that changes are communicated to the office so that our records can be up to date. Please phone 078715203 and leave a message or email principal@paterangi.school.nz

Influenza -

You may have heard that we have had a few of children away with flu and stomach upsets. This is not uncommon for this time of the year and I would like to reassure you the school has a clear plan for dealing with illnesses that arise at school and as communication is clearly very important, I trust that the contact details we have are accurate. If you suspect your child or any member of your family are suffering and are likely to spread their symptoms please notify us. The staff is covering the important hygiene issues related to the spread of germs and ask that you support these. The key aspects are; covering our mouths when coughing or sneezing and washing and drying hands thoroughly after using the bathroom and prior to eating in particular. **It is also important that children who become ill during the term with colds or flu remain away from school while they recover please.**

BOT Vacancy -

A vacancy on the Board has become available and the Board has chosen to hold an election to fill this. More details will be available shortly but if you or anyone you know may be interested please consider an application.

Congratulations -

Drew West – Drew has been selected in the Year 5 Te Awamutu rugby representative squad. Well done Drew, we wish you all the best for the representative season.

Class Awards

- Room 4:** Izabella– for trying to be gentle with her words, strong focus, great reading and learning to count to 20.
Kaleb - for great focus at learning time and awesome progress this term in reading and writing.
Michelle - for settling into the kiwi burrow so well. You are focused and ready to learn and we are very happy to have you here.
- Room 3:** Connor - for the effort you are putting into improving your Reading and Writing.
Chloe - for the care you took to paint an awesome pansy.
- Room 2:** Hoani - Welcome to Room 2, you have settled in well and learned new routines easily.
Georgia - for showing great responsibility and kindness looking after our new class member, teaching her all about our class routines and programmes.
- Room 1:** Riley - for making a great start to his time in Room 1. He asks thoughtful questions, keeps focused on his work and has a terrific attitude.
Keegan - for making a great start to his time in Room 1. He is thoughtful towards others, has a positive attitude and gets stuck into his work.
- Room 5:** Joseph - for his positive efforts and determination displayed at Winter sports day.
Brook - for his positive AsTTle reading result and creativity with his ideas.

School Cleaning -

We appreciate the fine work that you do in cleaning the school classrooms on the weekend. Some have raised concerns about the length of time this takes so I would like to reinforce some of the expectations. We do NOT expect you to shift material or displays in order to clean, if stuff has been left out leave it. If there appears to be an excessive amount of glue /paint or other substances on desks making it difficult to wipe please just leave a note saying that you found it difficult for that reason – the class teacher needs to address that not you.

Basketball - Friday 23rd June

Paterangi Bulls vs AIS Taniwhas at the Te Awamutu Events Centre, 6.15pm

Netball -

Draw for Saturday 24th June -
Paterangi Pixels 1.10pm
Paterangi Pirates 11.30am

Welcome to Paterangi School -

We welcome two new students to Paterangi School this week - Michelle Nielson-Smith is a new entrant in Room 4 and Hoani Roa is in Room 2.

Water -

Thank you to Mike Goble from Te Awamutu Pak 'n Save and Coke for their generous donation of Kiwi Blue bottled water. This will be kept on hand at school for use if there is ever any problem with the school water supply. Thank you to our Board Chairperson, Iain Cambridge for organising this.

Kite Day -

On Thursday the whole school had a kite technology day. Unfortunately the weather didn't allow any test flights so we will wait until a fine day next week to see how well our kites fly.
