### Cross Country –

Another very successful Lower Waipa Cross Country event was held on Wednesday with 390 competitors taking part. The weather was very challenging and underfoot conditions were very wet and muddy causing some issues for competitors, but to be involved in a sanctioned mud run put a smile on every face.

Special thanks to all the helpers who assisted on the day with the use of fencing tape and standards to mark the course, running the barbecue and refreshment stall the marshalling and recording and the support of all the athletes. A particular thank you to Mr Otto our teacher responsible for events and Mr Steve Hoy in helping set up the course and run the events and to all the supporters from the 9 Lower Waipa schools who braved the elements to encourage the runners.

### Reading –

As all are aware we have a nightly reading programme in place which is supported with a reading log and rewards for endeavour. I am aware that there are a number of children who have not read for 25 nights this year yet or have not had this recorded, while others are at 150 nights. This reading programme is to support the work undertaken in classrooms and as written several times before, supports progress with comprehension, spelling, writing skills and the general conventions of language and its use. We urge you strongly to support this programme and your child's reading by making sure this 10 minute or so task is undertaken.

### Bus –

Just a reminder please that if your child travels on the bus that any changes to the routine are communicated to the office.

### Front of Hall –

The ground in front of the hall has got into quite a state and we encourage you to try and not park there if at all possible.

### PTA –

My special thanks to the PTA for the work they did during the Cross Country making sure the competitors and their supporters had plenty of sustenance. This small group did a fantastic job and I urge other parents to support them. Remember the money they raise goes into supporting the learning of ALL children so please pitch in and give then a hand where you can.

### Pet Day –

This is being held on **Wednesday 18<sup>th</sup> October**, which is the first week of next term. Some children are beginning to select lambs and calves so I remind them that this is a significant commitment which needs to be stuck to through to the events scheduled. Group Day will follow on the Tuesday 24th of the following week at Ngutunui.

We need to know how many calves, lambs, or kid goats are expected on Ag Day so please fill out the slip in this newsletter and return to school to enter your child's animal.

There are also other art and craft activities on the day for those not bringing a pet and details are on the school website.

### Contact –

If you wish to discuss your child's learning or any aspect of their schooling please feel free to make an appointment to see their teacher in the first instance or me. We are available most of the time but do need some notice and preferably an indication of what you would like to discuss.

**Orchestras Central are thrilled to be presenting  
'The Pied Piper of Pirongia' again for the whole  
community.**

**This thoroughly modern take on a classic tale tells the  
story of a wily stranger with more than the eradication  
of possums on his mind!**

If you came to our education concerts last month, and would  
love to come again - or missed out and wished you could have  
made it, here's your chance!

The Pied Piper of Pirongia, with narrator Graeme Cairns is be-  
ing performed on Sunday 27 August for all to enjoy! Take the  
chance to walk through the 'Orchestral Petting Zoo' first and  
meet our players and their instruments.
