Pet Day –

This was held on Wednesday and again was a great success with great work done by all the children with calves, lambs and goats as well as the entries in the other supporting categories. We thank greatly the sponsors, Finch Contracting, New Zealand Farm Source, Agrisea Nutrients, LIC, FMG and Alltech and a great thank you also to the PTA for their work.

Bus fees –

Reminder that bus fees are due. This year our bus fees for ineligible students are \$30 per pupil per term, or \$80 per family per term. You are reminded **Bus fees must be paid by the end of week 2 and those not paid will be excluded.**

Please contact the school office if you would like to make arrangements for payment.

Congratulations.

The results have arrived for the **ICAS Mathematics** exam and I am extremely proud of the achievements of all who sat. Kaeden Cresswell gained a High Distinction Certificate putting him in the top 1% of all year 7 children in New Zealand. This is an outstanding result and follows a similar result for Kaeden from last year. Ella Patterson gained a Merit Certificate and Joshua Marais gained a Credit Certificate.

Umbrellas –

I realise that hopefully the wet weather is behind us but just in case we have a small supply of Paterangi School branded umbrellas for sale at \$40 each. These are high quality golf umbrellas.

Grandparents Day –

Each year we invite the children's grandparents to come and experience some of the learning going on and this year's event is to be held on **Friday 10th November**. All grandparents are invited to come along, enjoy some entertainment and enjoy our Paterangi hospitality.

Learning Journals –

You will have received these at the end of last term and have hopefully spent some time discussing these with your child. Please comment and identify goals with them for the term ahead. **As this is a short term please return these promptly to the class teacher.** While no formal interviews are scheduled could I assure you that we are always receptive to discussions about student progress and achievement? If you would like to meet please contact to arrange a suitable time.

Homework –

All children will have homework Monday night to Thursday night. Homework is an important component of your child's learning at school to reinforce learning that has happened during the day, or in some cases to prepare for learning that is going to take place in the class during the next couple of days. Each teacher has sent out a notice about what homework you can expect for the children of their class. An important part of our homework regime is the nightly reading logs and the Mathematics homework workbook.

Senior Athletics –

Our senior children will be taking part in two athletic events, firstly at school on Tuesday 6th November and then at the Lower Waipa Athletics for those who qualify on Thursday 16th November.

Junior Athletics –

We will be hosting year 1-3 children at our annual Junior Athletics on Wednesday 22nd November.

Eat a rainbow of colours every day. Different coloured vegetables and fruit give different vitamins and minerals
