Junior Athletics –

On Wednesday we hosted 200 young athletes for our annual junior athletics day. A great day in all respects with 12 fun activities and relays to follow. A day such as this cannot take place without a lot of hard work and organisation. I would like to thank Tania for her superb organisation ably assisted by Joy. The work of our Room 1 students in leading, supporting and encouraging each of the teams drew praise from many and will serve them well as an introduction to leadership. The PTA with their stall selling food to replenish our participants and supporters is again greatly appreciated as all the profits go back to helping all our children. To the many parents and supporters a big thank you for encouraging the children to give it a go and do the best that they can and to the children themselves, well done on participating and conducting yourselves well in very hot conditions.

Assessment –

A number of assessment tasks are being undertaken across the school as we measure children's progress and development. The results from these are pleasing with children making progress in all areas of the curriculum, some quite significant. Much of this will be reported on in the Learning Journals being prepared now for distribution in week 9.

Learning Journals –

These are in the final stages of completion prior to coming home in week 9. There are several Learning Journals still not returned **please get them back to school on Monday** so they can be completed.

BOT meeting –

The next BOT meeting of the term will be held on Monday 27 November from 7:00pm in the Multi-Purpose Room.

Xmas Cookie Reminder –

Please get your orders in as soon as possible. These need to be in by 27th November (This coming Monday). This is a fundraiser for your PTA which is used to support learning materials for the school.

Books –

As the year nears its end we are auditing our resources and would appreciate if you could check at home that any library books, reading texts or other school issued material that is not currently in use is returned.

Pool Keys –

With the pool now available for swimming, our school community members are entitled to purchase a key to use this facility outside school hours. Keys are available for \$40 for school families. We need volunteers to monitor the pool over the summer break so if you can help in that regard please contact us as soon as possible.

Congratulations –

A group of our students competed in the Hamilton Round the Bridges race on the weekend. The children all ran well with Niamh placing 11th in the 7 & 8 Yr Girls, Louise 6th in the 11-13 Yr Girls, Harrison 5th in the 7 & 8 Yr Boys. The team are pictured in this newsletter.

Lost Property –

There is a lot of lost property in our lost property bins. Please come and claim what belongs to your child as any left at the end of the year goes to the Cancer bin.

Touch Rugby –

The Paterangi Lakers squared off against T.A.P.S. in a sweltering hot afternoon at Albert Park yesterday. Although they were outmatched by a far more experienced team, they never gave up and ran the whole game. It is great to see Paterangi students giving their all out there on the field.

SUPER SUMMER SALADS

DRESS FOR SUCCESS

Dress your salad with this creamy homemade dressing:

- 2 Tbsp. Greek yoghurt
- 2 Tbsp. oil
- 1 tsp. vinegar
- garlic - crushed
- black pepper

Mix Greek yoghurt, olive oil and vinegar, stirring to combine.
Add garlic and pepper to taste.

Tip:
A healthy lower fat option instead of mayonnaise!
