Another great week complete at Paterangi School!

I have been lucky enough to spend time in a couple of classes this week and I am so proud of the way our students have settled into their learning routines.

Our students have begun the year with establishing their classroom expectations and fostering a culture centred around our School Values **Responsibility, Integrity, Perseverance and Respect**. Our values are what makes us "Paterangi People" whether we are students, teachers, parents or community members. I am always so proud to see how we all champion these values and show our Paterangi Pride out in the wider community. This has played its part in generating such a positive reputation for our school.

Our greatest strength is in our partnership as parents and teachers working together for the success of our children.

Ngā mihi maioha,

Mark Harrop

Principal

Buses 2021.

Please note: Ineligible bus tags have increased to \$50.00 per term. Please make sure you have these paid by the 19th February. Also can you please let the office know if your child will not be on the bus at anytime.

House Captains and Student Council Reps...

It was a very exciting morning today as our Year 6-8 students campaign for the prestigious position of House Captain and a position on the Student Council! Results will be announced at next week's Assembly!

Good luck senior students!

Whanau Hui

We will be hosting a whanau hui next week on Thursday the 18th of February. This will be an opportunity to share our achievement data on our Maori learners and discuss how we can work together throughout the year. All parents of Maori students are welcome to attend and more information will be sent home on Monday.

WEAR YOUR HAT EVERYDAY!

All Paterangi children must wear hats when they are outside!

Lets be sun smart!

Absences -

These can be notified to the office by phone leaving a message or by email direct form the school website (just click on the "Absences" tab on the website homepage). We appreciate you letting us know early, that your child will be absent.

This term Paterangi School is introducing the Garden to Table programme. This is an exciting, integrated and comprehensive programme that helps children understand how to grow, harvest, prepare and share good food. It builds skills for life through highly practical, curriculum integrated classes teaching gardening and cooking skills, while also building awareness of responsibility for the environment, conscious eating and community connectedness. We will be running one session per week on Fridays 9 – 10.30. Rooms Kauri and Nikau will alternate fortnightly Terms 1 & 2 then another two classes in Terms 3 & 4.

For this to be successful, we need the support of volunteers to work with small groups of children under the guidance of our kitchen and garden specialists. If you have an interest in either wholesome healthy cooking or gardening, please consider volunteering as a regular or casual helper. This is open to all school whanau and could include grandparents or others who may have time and experience to offer.

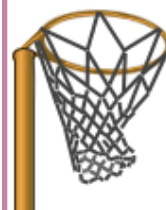

We are also interested in any donation of kitchen or garden tools and equipment that you may have to spare at home. This could include kitchen utensils, appliances, knives, chopping boards, bowls, pots and pans, cutlery etc or garden tools, watering cans, building tools or even seedlings etc

Any queries, offers of help or donations can be directed to Tania Hall in Room Pohutukawa.

Website and Newsletters –

The school website is regularly updated with information about upcoming events and all events are in the calendar section. Please use this site, our Facebook page and the newsletters to keep up with school events. If there are people in our school community that would like to receive our weekly newsletter please let us know their email addresses so we can add them to the list.
