My successes are not mine alone, they are ours– The greatest successes we will have are from working together.

What a great week at Paterangi School!

Our senior students had their first day of sailing, our junior students had their first day at bush school, music lessons started and we had a fantastic whanau hui yesterday afternoon! I love how much variety and opportunity for growth our teachers put into their classroom programmes!

I am excited to announce that the annual Community Picnic will be held next Thursday the 25th of February from 4:30pm. This is a great chance for our new community members to mix and mingle with our established whanau and to catch up with your children's teachers in a more informal setting. Bring your dinner and picnic with us! Our PTA have organised Hoops and Scoops to attend as they proved very popular last year and our sports gear and pool will be open for all!

Today we announced our House Captains for 2021. These students were selected by their peers to lead their houses and will form the Student Council for the year.

Blue House: Ronan Walker and Sophia Pryce

Red House: Taika Maikuku and Hoani Roa

Yellow House: Mia Hancy and Peytyn Townsend

Green House: Liam Shaw and Elliot Greer

Congratulations to those who were selected I look forward to working with you!

CLASS AWARDS

Koru:

Lucian for your enthusiasm and adventurous spirit at Bush School. You made the most of your first day in the Ngahere trying new activities and working together with your classmates.

Oliver for being responsible about your learning, staying focused and listening well during phonics. Keep it up Oliver.

Pohutukawa:

Kane for a positive start to the year. You are showing courage to try your best at things that are hard with lots of perseverance – keep up the great attitude.

Jacob for a positive attitude to school and learning. You show our values every day and make Room Pohutukawa a great place to learn – tino pai.

Rata:

Nixon for listening and being focussed during learning time. You are very responsible and respectful and a pleasure to have in the classroom.

Keegan for your super focussed learning habits, you are always listening and ready to learn. You try your best at all times.

Kauri:

Jukka for great effort in writing. Great compound sentence work!

Noah for taking responsibility for his learning and following his new learning task board

Rimu:

Sophie for the responsibility you demonstrate each and every day and for taking charge in your learning.

Benjamin for the improvement in your editing and proofreading in your work and the responsibility you show at school each day.

Totara:

James for your enthusiasm at swimming. Making steady progress by applying what you have learned to your freestyle stroke.

Amelia for persevering at sailing. Giving it a go and having a great start to your sailing journey.

This term Paterangi School is introducing the Garden to Table programme. This is an exciting, integrated and comprehensive programme that helps children understand how to grow, harvest, prepare and share good food. It builds skills for life through highly practical, curriculum integrated classes teaching gardening and cooking skills, while also building awareness of responsibility for the environment, conscious eating and community connectedness. We will be running one session per week on Fridays 9 – 10.30. Rooms Kauri and Nikau will alternate fortnightly Terms 1 & 2 then another two classes in Terms 3 & 4.

GARDEN TO TABLE

GROW, HARVEST, PREPARE, SHARE

For this to be successful, we need the support of volunteers to work with small groups of children under the guidance of our kitchen and garden specialists. If you have an interest in either wholesome healthy cooking or gardening, please consider volunteering as a regular or casual helper. This is open to all school whanau and could include grandparents or others who may have time and experience to offer.

We are also interested in any donation of kitchen or garden tools and equipment that you may have to spare at home. This could include kitchen utensils, appliances, knives, chopping boards, bowls, pots and pans, cutlery etc or garden tools, watering cans, building tools or even seedlings etc

Any queries, offers of help or donations can be directed to Tania Hall in Room Pohutukawa.
