Tēnā koutou

With Mr Harrop away at the NZEI Rural Principals Conference this week, I have the privilege of contributing to this week's newsletter.

We have come to the end of yet another wonderful week at Paterangi school. Next week will be the middle of Term 2... Already!

This week we continued with our Winter Champs practise, getting ready for the big day at Ngahinapouri School on Friday the 11th of June. Thanks to our community and parent helpers who have come out to support the staff and our tamariki with these sessions. I am very impressed with many of our learners who are novices to some sports and are being courageous and giving something new a go.

On Monday next week we start off with our Kapahaka boot camp. We are very fortunate to have the dedicated Whaea KCathiey and Mr Drury take the Kapahaka group through their paces in preparation for the festival at the end of this term. Our kura is also fortunate to have a few of our senior students be invited to Purekireki marae where they will hear stories of Mt Pirongia and its awa from the mana whenua of Purekireki marae. Pirongia Te Aroaro o Kahu Restoration Society (PRS) have partnered with the hau kainga at Purekireki marae so that local students can strengthen their connection with Pirongia maunga.

Please be reminded that on the 16th of June, staff will be involved in an off-site Staff Development program at Te Awamutu College.

Have a wonderful weekend.

Regards,
Bruce Mitchell
Deputy Principal
