It is so great to be back! I always love the first week of school, catching up with all the adventures our children have been on, seeing how much they have grown and meeting all our new children and parents! We have had a great first week at Paterangi School, establishing routines and revisiting our school values. Our powhiri was held on Tuesday and it was once again a very special time for us to welcome in new children, parents and staff into our school whanau. Thank you to all our people that attended in support.

We would like to warmly welcome Jamie Huston to Paterangi School this year! Jamie has taken the new teaching position for 2020 working in the Rimu Room (Last year's library) with an awesome bunch of Year 3 and 4 students. Mr H has had a great start and is loving getting to know all our Paterangi people and what a great place we have here! Make sure you introduce yourself to Jamie next time you see him!

SWIMMING POOL

We are lucky to have such an awesome pool at our school where the kids can get in everyday! This is due to the tireless efforts of the chlorine mix master with an honorary PhD in Ph balance and pool proficiency Jim Freyne who has been an absolute legend looking after of pool all summer long, coming in every morning to make sure the water is right for our kids. Thank you Jim!
